Projects

Online Bookstore

<https://trevorsqlsite.azurewebsite.net>

- ASP.NET 6 MVC Web application connected to a SQL database hosted on azure. An identity system is implemented to allow user profiles, roles, authorizations, and more.

Discord Bot

<https://github.com/reevest2/xkcdbot>

- A C# Bot to post a comic from XKCD into Discord using a command.

Simple Unity Driving Game

<https://tinyurl.com/4psaxthn>

- A Unity game for Android published on the Google play store. Utilize touch controls to navigate a course. Created using Unity and C# scripts.

Portfolio Website

<https://trevorreeves.azurewebsites.net/>

- ASP.NET 5 MVC Web application hosted on azure. Utilizes Bootstrap 4 for the front end design.

Experience
